ABOUT US

We are a grassroots civil and human rights organization fighting for the rights of formerly - and currently - incarcerated people and their families. We aim to fight against the discrimination that people face everyday because of an arrest or criminal history. The goal of All of Us or None is to strengthen the voices of people most affected by mass incarceration and the growth of the prison-industrial complex. Through grassroots organizing, we are building a powerful political movement to win the full restoration of human and civil rights previously taken.
